***Covid-19 Impact**

Chesterfield County Public Schools closed on March 13, 2020, and grades for traditional high school courses were halted at that point. Final grades were derived using 70% from Semester 1 and 30% from Semester 2. A letter grade of P was awarded per parent request for A+- D. Dual Enrollment (DE) transcripts may reflect different grades than the high school transcript given DE course instruction and grading continued through May.

SCHOOL AND COMMUNITY PROFILE

Monacan, a comprehensive high school, has an enrollment of approximately 1550 students in grades nine through twelve. The school year is divided into two semesters, each of which has two nine-week grading periods. Monacan High School is on a four period even and odd alternating block schedule with students attending first period daily. This schedule provides the opportunity for students to earn seven credits per academic year. The diversity of cultural and socioeconomic backgrounds within the student body is served by a curriculum consisting of a variety of courses.

ACADEMIC CHARACTERISTICS

The curriculum at Monacan High School offers a variety of college-prep, Advanced Placement, honors and elective courses. Monacan is also home to two specialty centers: The Center for the Humanities, which affords students the opportunity to explore the development of civilization through the study of literature, languages, history, social studies, philosophy, mathematics, science, and fine arts; and the Health and Physical Therapy Center, which provides students with academic and practical field experiences in preventative medicine and therapeutic health careers such as sports medicine, athletic training, occupational and physical therapy, physical education and exercise.

Advanced Placement Courses are available in English Language and Literature, Human Geography, World History, United States History, United States Government, European History, Psychology, French, Latin, Spanish, Biology, Physics 1 and Physics C, Calculus AB, Photography, Studio Art, Computer Science Principles, and Statistics.

Honors Level Courses are offered in all academic areas.

Dual Enrollment Courses are offered through an agreement with John Tyler Community College where students earn both high school and college credit. We offer Dual Enrollment English, Spanish, and Pre-Calculus.

GPA and CLASS RANKING

Class rank and grade-point average are determined by the levels of courses taken and the final grades earned in those courses. All students pursuing an advanced studies diploma or standard diploma are assigned a class rank. The initial class ranking is computed at the end of the 10th-grade year by averaging the final grades of all credit courses to date. The final ranking is computed at the end of the senior year. Earning a "P" in a pass/fail course does not alter the GPA. Also, if students repeat a previously passed core academic course, then only the higher final grade is used in calculating the GPA.

Grading Scale

For additional information, please reference the parent handbook.

<https://mychesterfieldschools.com/family-and-community-engagement/preparing-for-school/publications-and-forms/>

Letter Grade	Percent Grade	GPA	Honors/DE (before 19-20)	AP/IB/DE (19-20 & beyond)
A+	97-100	4.5	5	5.5
A	90-96	4	4.5	5
B+	86-89	3.5	4	4.5
B	80-85	3	3.5	4
C+	76-79	2.5	3	3.5
C	70-75	2	2.5	3
D+	66-69	1.5	2	2.5
D	60-65	1	1.5	2
F	Below 60	0	0	0

P** Families were given the option to select a P grade for Spring 2020 classes where an A, B, C, or D was earned during Covid-19 closure.

Advanced Placement Exams 2019

Exams Given: 481
