Frequently Asked Questions
Lipstick and Lining

What formulation does Lipstick comes in?

- Coverage lipstick- base off skin tone
- Gloss
- Long wearing Lipstick
- Matte Lipstick
- Moisturizing Lipstick
- Sheer lipstick
- Stain Lipstick

Why should I wear lip liner with my lipstick?

The lip liner will give your lips form and will keep your lipstick on longer.

What do I do if my lip liner and lipstick do not go on smoothly?

This most likely means you need to exfoliate your lip area or your lip liner or lipsticks are old.
