- **Lash Comb**
- **Rubber Bristles**

How do I know what color to choose for each client?

Your color wheel (theory) is your best tool to help answer this question. Color theory can help you design a natural, professional, nighttime or dramatic look.

Frequently Asked Questions

Skill**Mascara****Can I wear eye make-up with contact lenses?**

If you are used to contact lenses and your eyes do not water while inserting you can apply eye make-up and then insert lenses.

If your eyes do water, then apply while lenses are in and be careful to not get product into the eye.

If client is jumpy, you can show them and suggest that they line their eyes and apply their own mascara.

When should I use my eyelash curler?

Use the curler before applying mascara. Make sure you are careful with the eyelash curler to not take out any lashes
