

Cosmetology Instructor Exam

Effective Classroom Management and Supervision

Objectives & Foundations

1. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
 - A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
2. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
 - A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
3. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
 - A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
4. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
 - A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
5. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
 - A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
6. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
 - A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
7. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
 - A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
8. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
 - A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management

- D. Allow students to manage the class independently
9. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
- A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
10. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
- A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
11. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
- A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
12. In the context of Objectives & Foundations, what is the BEST practice for cosmetology instructors?
- A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently

Promoting a Positive Environment

13. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?
- A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
14. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?
- A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
15. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?
- A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently
16. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?
- A. Ignore problems and hope they resolve themselves
 - B. Apply clear, consistent, student-centered strategies
 - C. Focus only on academic grading without classroom management
 - D. Allow students to manage the class independently

17. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

18. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

19. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

20. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

21. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

22. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

23. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

24. In the context of Promoting a Positive Environment, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

Professionalism in the Classroom

25. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

26. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

27. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

28. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

29. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

30. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

31. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

32. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves

- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

33. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

34. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

35. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

36. In the context of Professionalism in the Classroom, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

Principles of Managing Learner Behavior

37. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

38. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

39. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

40. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

41. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

42. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

43. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

44. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

45. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

46. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

47. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

48. In the context of Principles of Managing Learner Behavior, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

Managing Chronic Misconduct

49. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

50. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

51. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

52. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

53. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

54. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

55. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves

- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

56. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

57. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

58. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

59. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

60. In the context of Managing Chronic Misconduct, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

Academic Advisement

61. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

62. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

63. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves

- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

64. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

65. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

66. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

67. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

68. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

69. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

70. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

71. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

72. In the context of Academic Advisement, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

Managing Difficult Learner Behaviors

73. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

74. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

75. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

76. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

77. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

78. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

79. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

80. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves

- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

81. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

82. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

83. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

84. In the context of Managing Difficult Learner Behaviors, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

Conflict Management

85. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

86. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

87. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

88. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies

- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

89. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

90. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

91. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

92. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

93. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

94. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

95. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

96. In the context of Conflict Management, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

Conclusion & Enabling Exercises

97. In the context of Conclusion & Enabling Exercises, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

98. In the context of Conclusion & Enabling Exercises, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

99. In the context of Conclusion & Enabling Exercises, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently

100. In the context of Conclusion & Enabling Exercises, what is the BEST practice for cosmetology instructors?

- A. Ignore problems and hope they resolve themselves
- B. Apply clear, consistent, student-centered strategies
- C. Focus only on academic grading without classroom management
- D. Allow students to manage the class independently
